- When this opens, type your title in the "Subject" field and your content in the "Note Text field"
- Click Save
- Once you return to your performance notes the note will appear under "Your existing Performance Notes"

## Adding Performance Notes to Performance Evaluation Goals and Annual Comment Section

- To use a note you've created in your Performance Review go back into PeopleSoft -> Self-Service -> My Performance
- Click on "My Current Documents" to open your performance review
- Once inside the evaluation, click on the "Goals" tab if you want to add the note to your goals section or click on "Annual" if you want to add it to your year-end self-evaluation
- Then click on the hyperlink that reads "Writing Tools" in the Employee Comments section

Goals

Use this space to document your conversation with your manager about your goals/priorities and professional development areas of focus for the current performance period. Include notes on the intended impact of your work. If applicable, use the separate "Competencies" tab to review the specific competencies you will focus on as discussed with your manager.

Click on Save to save your changes. Do not click on Complete Annual.
